

SPRINTUS

Professional Cleaning Equipment

N 28/1 E

Compact wet/dry vacuum cleaner with durable stainless steel body and a 28 litres container volume.

Suggested Use

Especially designed for facilities, industrial and workshop environments, and for any situation that requires a robust, reliable and long-lasting vacuum.

With its incredible suction power and robust design, the N28/1 E is best equipped for hard, daily use. Its stainless steel container is attached to an undercarriage made of impact-resistant plastic. The large wheel base and 50 mm swivel casters ensure optimal stability and prevent tipping.

TECHNICAL DATA

Voltage	230 V / 50 Hz
Max. power	1200 W
Sound pressure level	71 dB(A)
Volume flow rate	54 litres / sec.
Max. suction	230 mbar
Container material	stainless steel
Container volume	28 litres (gross)
Length of power cable	7,5 m
Length of hose	2,5 m
Diameter of hose	32 mm
Diameter of tubes	32 mm
Weight	7,6 kg
Dimensions (L x W x H)	36 x 36 x 69 cm

Intake slots on the side of the vacuum ensure complete separation of intake air and processed air.

4 accessory slots are situated around the chassis. Thus all necessary accessories are at your fingertips.

The spacious cable hook offers more than enough space for the 7.5 m long power cable.

Equipped as standard with 360 mm wide wet floor nozzle and 360 mm wide dry floor nozzle.

Fine dust cartridge filter, fleece filter basket, and fleece filter bag ensure a remarkably high filtration grade.

Features

- Mess-free waste disposal with the sealable fleece filter bag
- Ergonomically optimised for single-handed transport of the vacuum and its attachments
- Accessories are stored close at hand on the undercarriage
- Efficient working with 360 mm floor nozzles
- Rotary joint on the vacuum hose for hindrance-free maneuvering
- Consistent separation of intake air and processed air
- High filtration grade due to fine dust filter cartridge
- Generous hook for the 7.5 power cable
- Also operational without the fleece filter bag

Accessory:

Flexible crevice nozzle 600 mm

Item no. 111.203

Item no.

N28/1 E

101.007

2 x 0,5 m aluminium tube ø 32 mm, 2,5 m suction hose, fine dust filter cartridge, fleece filter basket and fleece filter bag, crevice nozzle, furniture nozzle, dry floor nozzle 360 mm, wet floor nozzle 360 mm, 7,5 m power cable, black

STANDARD KIT:
