EM17 EVO

SPRiNTUS

Maximum Smoothness, Fully Equipped.

Suggested Use
The **EM 17 EVO** is perfect for hard daily use with its robust planetary gear.

The 10-litre water tank ensures that work is performed quickly and comfortably. Due to the tool-free disc exchange, the EM 17 EVO can be adapted to all surfaces without long waiting times.
In combination with the Queen Bonnet Pad, unparalleled cleaning results can be achieved on carpeted floors. For optimal results in case of intense and tough dirt, the device weight can be increased with the optional 14 kg additional weight.

Due to the large rubberised wheels, the machine does not leave any marks, even on vulnerable surfaces.

Features
- Robust planetary gearbox
- Integrated 10-litre freshwater tank
- Tool-free change of brush and disc
