HERCULES

Powerful, extremely robust and quietly running single disc machine.

SPRiNTUS

Suggested Use
Intensive cleaning of all hard surfaces and carpeted surfaces.

The Hercules single disc machine is designed to offer an extremely silent running. It is a robust and easily operated single disc machine in the upper mid-range segment.
With its large, user-friendly and ergonomic control, the machine can easily be steered and is perfectly suited for intensive, basic and preservation cleaning. The powerful and maintenance-free steel planetary gear with 175 rpm drive power always has sufficient reserves to rapidly and thoroughly clean all hard surfaces as well as to shampoo textile surfaces. With its high entire weight of 48 kg, and the two optional 14 kg additional weights, the machine's total weight can easily be increased to 76 kg at any time as required. Ideal conditions for thorough cleaning of stubborn stains and dirt.
The Hercules offers you a durable, reliable and powerful all-rounder for flexible application on all surfaces with an outstanding price/performance ratio. The machine is equipped as standard with the full range of accessories, including a 12 litre fresh water tank, pad holder, as well as one shampooing and one scrubbing brush.

Features
- Maintenance-free steel planetary gear
- Integrated 12 litre freshwater tank
- Tool-free changing of brushes and discs
- Robust, ergonomic handlebar
