

SPRINTUS

Professional Cleaning Equipment

TECHNICAL DATA	
Voltage	220-240 V / 50 Hz
Max. Power	700 W
Sound pressure level	73 dB(A)
Container material	plastic
Container volume	13 Litres (gross)
Filter bag volume	9 Litres
Length of power cord	10 m, pluggable
Length of suction hose	2,5 m
Diameter of suction hose	32 mm
Diameter of suction tube	32 mm
Weight	4,8 kg
Dimensions (L x W x H)	29 x 40 x 40,5 cm

The MAXIMUS Hepa is equipped with an Epa12 filter cartridge that can be removed without tools, as well as signal red, pluggable 10 m power cord.

Rubber coated wheels for silent running on tiles.

MAXIMUS HEPA

Excellent cleaning performance at a low noise level and high air quality.

Suggested Use

Hotels, offices, clinics, nursing homes, and child care facilities. Powerful suction on all surfaces and well-suited for carpet cleaning with the Turbobrush attachment.

An extremely quiet dry vacuum with only minimal noise emission, the MAXIMUS Hepa is optimal for use during business hours. With an enormous suction power it allows for quick and comfortable work. Thanks to the built-in output regulator, suction power can be adjusted easily to the type of flooring. The base of the hose rotates 360°, preventing twists in the hose and reaching a radius of over 13 m. The 10 m power cord can be wound around the head of the vacuum or comfortably hung on the cable hook. The vacuum is also operational without the filter bag, due to its included fleece filter basket.

Features

- Dust-free waste disposal with the closable, 5-ply fleece filterbag
- Comfortable, one-handed transport due to its light weight and compact dimensions
- Convenient, foot-operated power button and parking position for the nozzle on the side of the device
- High dust intake with the 280 mm combi nozzle
- Extra long wheel base prevents tipping front
- Rubber coated fixed back wheels and casters for silent running on tiles
- Runner on the underside allows for a smooth crossing of thresholds
- All-around elastic bumpers
- High-quality extruding hose without the Memory-Effect
- easy change of cable

Large, lockable cable hook.

Accessory:

new
Parquet nozzle 360 mm horsehair
Item no. 111.207

Item no.

MAXIMUS HEPA

111.020

incl. 2 x aluminium tube ø 32 mm, suction hose 2,5 m, fleece filter basket, 1x HEPA13 fleece filter bag, EPA12 filter cartridge, crevice nozzle, combined upholstery/ furniture nozzle, energy combi nozzle 280 mm, power cord 10 m, pluggable, signal red
