

# SE 7

Spray-extraction cleaner with a separate anti-foaming tank.

### Suggested Use

Designed for rug, carpet, and upholstery cleaning in offices, clinics, cinemas and households, as well as car upholstery.

With 4 bar spraying pressure and 230 mbar suction pressure, the SE 7 cleans quickly and thoroughly. The spray function can be turned on or off with the valve lever near the handle. The liquid levels of both the 6.5 litres fresh- and wastewater tanks can be checked at any time through the transparent lid of the device. Both tanks are separately removable.

A third, integrated container allows the use of anti-foaming agent.

The clear upholstery and floor nozzle allows free sight of the surface being cleaned and constant control over the process. Its ergonomic form guarantees effortless work.

The 7.5 m power cord ensures a large working range and can be rolled up on the cleaner handle after use. The body of the cleaner is made of impact-resistant plastic and is equipped with large, rubber-coated wheels, which leave no traces even on all sensitive surfaces.

Professional Cleaning Equipment

### Features

- Thorough cleaning through the 4 bar spray pressure and 230 mbar suction power
- Spray and extraction functions are separately operable
- Separate fresh- and wastewater tanks, each containing 6.5 L
- Separate container for anti-foaming agent
- Clear, ergonomic nozzles
- Long stainless steel vacuum tube for convenient, effortless work
- Rubber-coated castor wheels and large back wheels for streak-free work

Spray-and vacuum-function are separately switchable at the device.

A separate tank allows for the use of anti-foaming agent and guarantees problem-free work.

### Functional principle:

Cleaning agent is sprayed on as needed.

Subsequent vacuuming up of the dirt, including liquid.

Clear upholstery nozzle for cleaning vehicle seats etc. The spray function can be adjusted via the operating lever on grip.

Large rubberwheels for silent running on tiles and mark free running on sensitive surfaces.

The floor spray nozzle with a long vacuum tube for convenient carpet cleaning.

### TECHNICAL DATA

Voltage	220-240 V / 50 Hz
Max. power	1100 W
Power pump	50 W
Max. suction	230 mbar
Sound pressure level	65 LpA [dB]
Spray pressure	4 bar
Water tank volume	each 6,5 litres
Length of power cord	7,5 m
Length of vacuum hose	2,5 m
Diameter of hose	38 mm
Diameter of tubes	38 mm
Weight	13 kg
Dimensions (L x W x H)	55 x 35 x 63,5 cm

### SE 7 SPRAY-EXTRACTION CLEANER

Item-no.	UK	EU
107008		107001

2 x 0,5 m suction tubes stainless steel ø 38 mm,  
2,5 m combi suction hose,  
floor nozzle with a width of 250 mm,  
upholstery nozzle with a width of 105 mm,  
defoaming tank, 7,5 m power cord

### STANDARD KIT:

Upholstery nozzle 105 mm	107011
Floor nozzle 250 mm	107010
1 x suction tube stainless steel	107013
2,5 m combi suction hose	107012
7,5 m power cord	107045
