
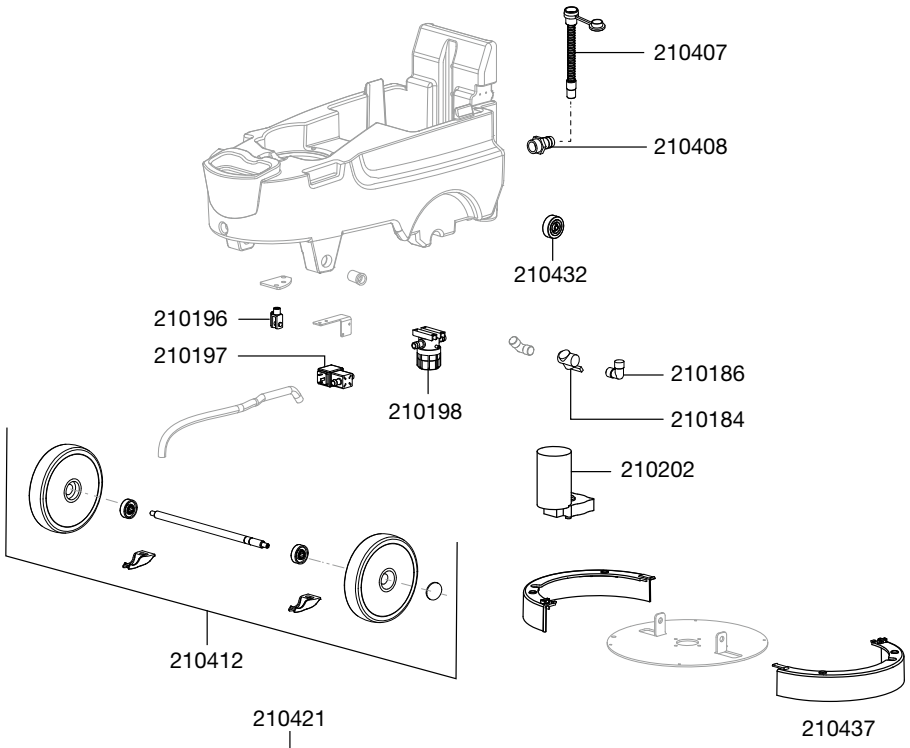
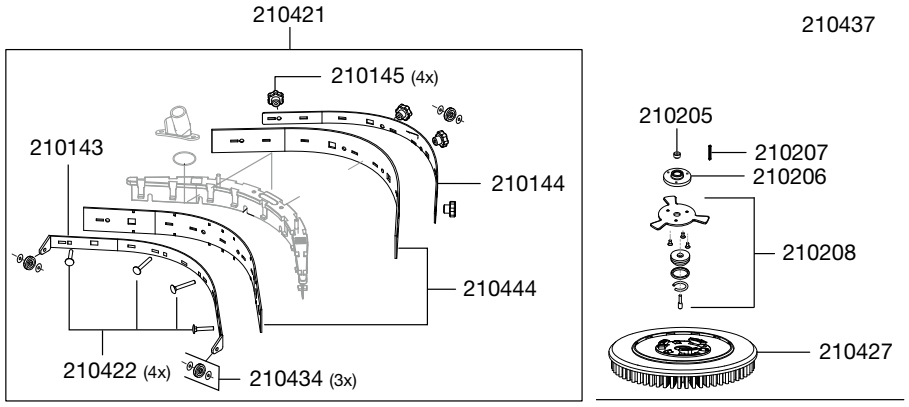
TORANA

item no.	description
	spare parts Torana
210132	cable for internal charge
210161	lid for drain hose
210173	drain hose
210175	motor filter
210176	safety cover motor
210178	cover fresh water
210179	fresh water strainer
210189	cable set
210191	circuit board
210254	circuit board(from serial no. P24036594)
210222	circuit board incl. label operating panel
210255	circuit board incl. label operating panel (from serial no. P24036594)
210223	cable set
210224	switch, electrical
210240	sponge seal for motor
210250	handhold shell bottom
210251	handhold shell top
210400	cover waste water tank
210401	vacuum motor, 270 Watt
210403	vacuum hose
210404	waste water tank
210405	silencer
210406	hose holder
210409	bowden cable
210410	cover footswitch
210413	label operating panel
210256	label operating panel 2025 (from serial no.P24036594)
210414	fixation set, operating unit
210416	retaining plate float
210417	float
210418	float housing
210419	charger, internal
210420	cable battery
210431	battery 12V, 33 Ah





Optionales Zubehör / optional accessories

210235

210429 Weich / soft
210427 Mittel / medium
210428 Abrasive / abrasive
210430 Rosshaar / horsehair
