ZEUS

SPRiNTUS

Ergonomic and innovative for
cleaning hard surfaces and textile floorings.

Duo Pad.
Item-No. 201077

Power Pad.
Item-No. 201076

Uniquely, the 10 litres fresh water tank sits directly on the machine and therefore ensures an optimum contact pressure, easy handling and perfect cleaning results. The user can remove the tank in just a single action, and work efficiently beneath objects or in edge zones thanks to the low ground clearance of just 10 cm.
The standard convenient advantage: The fresh water tank, equipped with a stretch hose, can be simply topped up with water directly at the tap.
With its racy and powerful 1,500 Watt motor and the maintenance-free steel planetary gearing with 175 rpm, the ZEUS is extremely powerful and yet incredibly quiet. It is easy to operate and also enables inexperienced users to work safely, in an energy-efficient and fatigue-free manner. Added to this, it is simple to transport and space-saving when stored, because the draw bar can simply be folded down fully.
If necessary, the Zeus can be flexibly upgraded from a 54 kg net weight to a maximum 64 kg. Thanks to the special latching element, brushes and discs can be switched in seconds without tools.
The Zeus offers the maximum in quality, reliability and durability, and frequently proves to be a smart solution provider in everyday work.

Upright parking position for space-saving storage and brush protection.

Freshwater tank can directly be filled at the sink with stretch hose.

Large, rubbered wheels which are offset to the rear for easy and quiet transport.

10 litre freshwater tank can be removed in one easy movement.
