## Lightweight, efficient, sustainable: the Backpack vacuum cleaner BoostiX iGO ZERO

With the new BoostiX iGO ZERO cordless backpack vacuum cleaner, SPRiNTUS is setting new standards in professional cleaning and offering another professional appliance that is made in Germany. The BoostiX iGO ZERO impresses with an extremely low appliance weight of just 4.4 kg as well as high efficiency and a long motor life thanks to the brushless 300 watt EC motor. With a running time of up to 90 minutes, the appliance is ideal for long periods of work in confined or hard-to-reach areas such as public transport, cinema and theatre auditoriums or stairwells. The triple HEPA 13 filter system ensures clean air is blown out, making the BoostiX iGO ZERO ideal for use in healthcare and nurseries. The vacuum cleaner is available as a cordless 36 V Li-ion version or with a power cord.
